## ***Righteousness and Grace***

As we study the book of Romans, God will share with us through Paul's writing how we lack God's righteousness because of our sin, receive God's righteousness when God justifies us by faith, demonstrate God's righteousness by being transformed from rebels to followers, confirm His righteousness when God saves the Jews and apply His righteousness in practical ways throughout our lives. Steve Croft is teaching. D108

## ***Francis Chan's "Letters to the Church"***

Francis Chan challenges the U.S. church to think about ourselves and practices we do that limit our ability reach people for Jesus. There are several teachers — Keith Enger, Andrew Morrison, Austin Roach, and Ryan Terry. Young Professionals, C203

## ***"Do you know my Jesus?"***

"Do you know my Jesus: Focusing on Jesus' one-of-a-kind personality."

This will be both a survey-oriented class that covers the arc of Jesus' life and ministry but with specific moments of depth into moments that reveal his language, wisdom, sense of humor, how he spoke and interacted, and taught. It is meant as a useful follow up to our summer class about faith in action by reminding the class about how Jesus, in varying ways, revealed God with his one-of-a-kind personality. There will be several teachers for this class. Faithful Families', C201
