Intergenerational Classes

Sunday Mornings

Fellowship Group (B100) NEW SERIES

The Fellowship class will be studying *Renewing Your Spiritual Life* (a study of Deuteronomy) beginning Sept 6 and continuing through Nov 29. (Sam Beard, Paul Brownlow, Wayland Howard, Gordon Lowry, Paul Priba, Don Robbins, Jack Roseberry)

SonRise Class (B201) NEW SERIES

Provocative Proverbs - This study will glean here and there from the book of Proverbs itself but will also tap into the many quips and quotes floating around on the Internet. We think these will generate discussion as we look into the "scripturalness" and practical application of these and others. (Des Steyn, Dennis Tom).

General Adult (D103-105) NEW SERIES

The Blessings of Being in Christ: The Book of Ephesians

Key Verse: Ephesians 1:3

As we study the book of Ephesians, God guided Paul's hand as he wrote this letter to share with us who Christ is at this very moment in our lives. We will be challenged to live by faith and to mature in our daily walk as a child of God. Ephesians urges us to press on to deeper spiritual understanding and Christian maturity and warns us of the danger of complacency. We will clearly see that as Christ sits at the right hand of God He desires a more intimate relationship with each of us and for us to reflect that in our daily lives. (Steve Croft)

General Adult (W101) NEW SERIES

This class will study the book of Acts, seeing the work done by the earliest followers of Jesus. (Jim McKillip & Dr. David Pimentel)
